

State of New California

NOTICE

TO ALL CALIFORNIANS!

Chapter II

Grievance 15

August 4, 2020

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of

January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

Chapter II

Grievance 15

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment of the United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution
The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

ORDER OF THE DAY

HYPOCRITE

In a series of stories from RED STATE the governor of California has revealed himself to be a massive hypocrite. Below are the titles of three articles from the past two weeks.

[“NEW: Gavin Newsom’s Undisclosed “Sweetheart” Bank Deals Gave Him \\$3.8 Million](#)

[Gavin Newsom’s \\$3.7 Million Estate Was Gifted to Him in 2019; 3 Months Later He Got a \\$2.7 Million Tax Free Cash-Out](#)

[There’s More! Gavin Newsom’s Property Taxes Are Chronically Delinquent and There’s No Excuse”](#)

Now Katy Grimes from the California Globe is demanding:

“Gov. Newsom’s ‘Chronically Delinquent’ Property Taxes and Unreported Income Must Be Investigated”

and then Grimes asks:

Dubious \$3.7 million home deal: Has this elitist governor promoted himself above the law?

Grimes adds:

“The United States is a Constitutional Republic which means we are a government without a king, accountable to the people and governed by the “rule of law,” in which the law is applied equally to all citizens. Or so we’ve always been told.

America’s political elite who deem themselves royalty, and live accordingly, are the same politicians who have been keeping their citizens in states under total lockdown for the purpose of destroying the economy, they mandate the wearing of face masks which they themselves do not wear, they prohibit travel to second homes and family cabins while traveling themselves, are keeping schools locked down, attend funerals while our dead cannot be mourned in a service, and they are thwarting the use of

hydroxychloroquine – a known prophylaxis (prevention) to coronavirus, and a successful cure... all to try to force President Donald Trump out of office one way or another four years.

California Gov. Gavin Newsom, one of the most Aristocratic, elite politicians to come along, has some serious, quite large, tax delinquency issues, according to RedState:

“Gov. Gavin Newsom (D). He personally owns more than \$6 million in real estate in the Golden State, giving him a massive property tax bill every year. And even though he received \$2,695,000 cash in late January from Union Bankas a cash-out refinance on his \$3.7 million Sacramento County mansion, he didn’t turn around and pay property taxes due in either Sacramento County or Marin County. In fact, at this moment his Kentfield estate is listed as ‘delinquent’ on the Marin County Tax Collector’s website.”

The Governor, who is pushing numerous tax increases on the peasant taxpayers of the state, doesn’t pay his? Try not paying your property taxes and see how the government responds.

The peasant taxpayers are repeatedly told by this governor and the compliant media that they aren’t paying their “fair share” of residential and commercial property taxes, if they are fortunate enough to own their home, or the building and property that is home to their businesses.

Redstate reported:

“Newsom received a \$3.7 million estate from an LLC owned by his cousin then, a few months later took out a \$2.695 million (tax-free) cash-out mortgage on it — and didn’t report the gift on any of his financial disclosure forms.”

If any other state legislative staffer or elected Assembly member or Senator failed to report income or even a \$51 dinner with a donor, the Fair Political Practices Commission would investigate and fine the individual.

So for Newsom to not report the \$2.695 million tax-free cash out mortgage deal is just illegal. Who in Marin County or Sacramento County is willing to challenge the governor over his delinquent taxes, or unreported income?

“This is the third tax bill in a row the Newsoms have let slide to ‘delinquent’ status,”

Redstate further reports.

“Gov. Newsom signed an Executive Order in May 2020, as Bronson Stocking at our sister site Townhall noted, suspending the requirement for county tax collectors to impose penalties, interest, and other costs on property tax scofflaws through May 1, 2021, if the taxes weren’t already delinquent as of March 4, 2020, and if property owner ‘timely files a claim for relief’ with the tax collector.”

This sounds as if Gavin Newsom is signing Executive Orders to benefit his own financial condition – as a royal would do. We wonder if Gavin Newsom will file such a claim for relief of his delinquent property taxes. But that still doesn’t address his unreported outside income.

Meanwhile, Gavin Newsom has kept the state under his original State of Emergency order deliberately to make the Legislature irrelevant (which Democrat Assembly and Senate leaders have allowed), and more importantly, to kill the California economy, which in turn severely harms the U.S. economy.

Newsom comes from San Francisco, as does Nancy Pelosi. It's not a stretch to believe that Pelosi is sending orders to Newsom to keep California closed, with promises of future political opportunities. It's no secret that Newsom wants to run for/be President.

Where is the U.S. Attorney's office or Attorney General's investigation into Newsom? Because an investigation needs to be opened.

As Nancy Pelosi constantly reminds us "no one is above the law," "not even the President."

Not even the Governor is above the law. Or so we are told".

The self-proclaimed, usurping dictator of the failed state of California is guilty of imposing a communistic form of martial law. Utilizing unelected bureaucrats as a quasi-legal regional (Soviet style) authority for the unconstitutional imposition of a totalitarian state.

MORE GRIEVOUSLY, the dictator has circumvented and completely bypassed the normal operation of the law and the process by which laws are enacted by duly elected representatives in the legislature, which is the very essence of a **republic** and **republican form of governance**. This is a **GRAVE, CRIMINAL AND TREASONOUS** violation of "Article IV, Section 4 of the U.S. Constitution known as the Guarantee Clause".

The constitutional government of the **State of New California, born in liberty and with representation, and in accordance with the laws of nature and nature's God** rejects California's form of dictatorial government and respects the rights of the United States citizens to make their own health related choices, while at the same time securing each other's liberties. The Fourth Amendment of the United States Constitution states that "***the right of the People to be secure in their persons, houses, papers and effects shall not be violated***".

The United States citizens living under the dictator's dictates, are suffering with a patience and tolerance that requires intervention and deliverance from the **Congress and the Executive Branch of the United States Government**. Such has been the patient sufferance of this state and those United States Citizens living in it, and **SUCH NOW IS THE NECESSITY** which compels them to seek independence and self-governance according to the provisions of the United States Constitution. Let these facts be submitted to all who will listen and to all who will hear.

New California State movement has for over 5 years been utilizing Article IV, Section 3 to form a new state in direct defiance of the California dictator just like the Founding Fathers had planned. *New Californians will NOT comply.*

The California governor is a pusillanimous craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California while the state

continues to operate outside the authorities of the U.S. Constitution violating Articles IV, Section 4, Article VI, the First and Fourth Amendments.

For New Californian's its our **GOD** given "**Right it is our Duty**" to protect our Declaration of Independence, our Constitution and our Bill of Rights with all means necessary from a craven dictator.

All dictators come to a point in their reign of terror where they're laid bare, they're exposed, they're naked for the world to see. California's governor is now at the point where his edicts are meaningless, ineffective and not being followed by the people.

We request the **President of the United States** act immediately to remedy these abuses by the establishment of the New California State.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** and the **Emergency Economic Powers Act** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities of authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 or the Emergency Economic Powers Act to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
