

The Honorable Rick Perry
Secretary of Energy
U.S. Department of Energy
1000 Independence Ave., SW
Washington, DC 20585

November 29, 2019

Dear Secretary Perry:

On October 26, 2019 at the 5th Constitutional Convention General Assembly I had the honor to submit your name **Rick Perry** on a joint Resolution expressing the desire for you to become the New California appointed transitional governor. As *"our best choice"* you were unanimously approved because you are *"the most qualified and mentally and morally equipped person to provide the needed leadership for New California State"*.

The New California State governor is an appointed transitional position and will perform the duties to form the new state from the state of California following Article IV Section 3 of the United States Constitution.

Secretary Perry we would like to extend to you the honor of your presence at our 6th Constitutional Convention as our Key Note Speaker February 28, 2019.

We believe you're the one person in the United States who is so capable, qualified and who meets the unique circumstances surrounding the making of the 51st State.

We welcome your participation at the 6th New California State Convention February 27-28, 2019.

Secretary Perry I look forward to discussing your future with New California State.

Sincerely,

Paul Preston
President, New California State
